Richard, a patient from Honiton

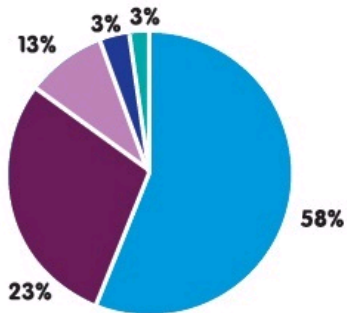

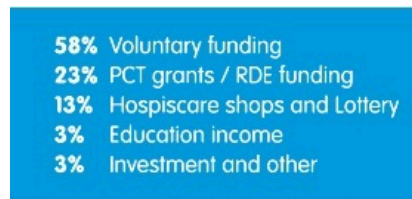

How we raise and spend money

Hospiscare raise and spend nearly £5m a year to care for over 2,000 patients and their families.

Where our funding comes from

Nearly 70% of our funding comes from voluntary donations or is raised by Hospiscare shops and the Hospiscare Lottery. Just 25% comes from the government through the Devon PCT.

How we spend our money

We are proud to say we spend 89p in every pound donated directly on patient care. The other 11% is spent on raising funds and expenses for audits, legal advice and other business costs.
