

They look after
my whole family.

Richard, a patient from Honiton

Getting referred

Hospiscare provides expert care for people with a terminal diagnosis in Devon. Find out more.

Who do you care for?

Hospiscare provides services for people living in the Exeter, mid or east Devon areas, who have a terminal diagnosis. Our services are not just for people with cancer, we consider a patient's needs above their diagnosis.

Referral

Speak to your GP, visiting nurse or hospital doctor if you think you would benefit from a referral to Hospiscare.

If you are a health professional, see our [referral guide](#).
