

Job Description

1. JOB DETAILS

Job Title:	Registered Nurse
Band:	5
Location:	Community
Hours:	22.5 - 37.5/week, 3 - 5 days over 7 including rotation to nights
Team/Directorate:	Hospiscare at Home, Mid Devon
Responsible To:	Community Cluster Team Leader (CCTL)
Responsible For:	N/A
Accountable to:	Head of Community Services

2. JOB PURPOSE

To deliver an excellent standard of evidence based specialist palliative nursing care and clinical advice.

To promote dignity, encompassing a person centred approach, to positively enhance the lives of patients with complex life limiting illnesses.

3. KEY RESULT AREAS/PRINCIPAL DUTIES AND RESPONSIBILITIES

3.1 Main Responsibilities

- Contribute to the assessment and review of patients, prioritising needs and working as a member of the Community team to ensure effective communication is in place to support patient care.
- Develop advanced communication skills and professionalism in your interactions with patients and those close to them, carers and other professionals in order to promote and maintain Hospiscare values.
- Attend and contribute to multi-disciplinary, complex care and Gold Standards Framework (GSF) or End of Life meetings to promote best practice.

- Develop knowledge and skills to be able to contribute in the delivery of education and learning for all those involved in palliative/end of life care, in order to act as a resource to wider professional and care teams both internally and externally.
- Contribute to Hospiscare's clinical governance and audit process in order to support continuing quality improvement and learning.
- Develop advanced skills in identifying and assessing complex bereavement and communicate effectively with the Supportive Care team in order to enable a seamless handover into Hospiscare's Bereavement Care Services.
- Co-ordinate junior colleagues and take responsibility for the team in the absence of the CCTL or senior practitioner to ensure continuity of service and welfare of patients.

Infection Prevention and Control

Maintaining a safe environment for patients, visitors and employees is everyone's responsibility. All staff are required to adhere to Hospiscare's Infection Prevention and Control Policy and make every effort to maintain high standards of infection prevention and control at all times. This includes ensuring personal and team compliance with all relevant policies and procedures, and acting upon or reporting any identified risks.

3.2 Key Contacts

Internal:

- CCTL and Community colleagues
- Other Community teams
- Head of Community Services
- Medical team
- Supportive Care Services
- Clinical Governance
- Clinical Administration
- Clinical Quality and Learning & Development team
- Student Nurses and Trainees

External:

- Patients and those close to them
- Royal Devon & Exeter Foundation Trust
- NHS Community Services
- General Practitioners
- Residential and Nursing Homes
- Social and Domiciliary Care Workers
- Providers of out-of-hours services

3.3 Health & Safety

- Ensure that Health and Safety guidelines and fire regulations are strictly adhered to
- Comply with safe working practices as defined by Hospiscare
- Complete online training as and when required
- Take reasonable care for your own health and safety and that of others who may be affected by acts or omissions at work
- Report any accidents, incidents or near misses as soon as reasonably practicable
- Manage own work life balance and general wellbeing, including any relevant pressures in respect of lone working, travel, difficult environments and challenging situations

3.4 General

- Be aware of and adhere to Hospiscare policies and procedures at all times
- Take part in progress/performance reviews throughout the year
- Cooperate with other Hospiscare departments
- Attend training courses and complete online training modules as required to meet the requirements of the post
- Take responsibility for own personal development, seeking out opportunities to learn new skills
- Undertake any other duties as requested by management which are reasonably deemed to be within the scope of the role

3.5 Other

- Apply the Hospiscare values and behaviours to every aspect of the role at all times
- Promote and maintain the brand standards of Hospiscare
