Hospiscare Open Gardens 2022

As Managing Director of Otter Garden Centre, I was delighted to be asked to continue to sponsor Hospiscare's Open Gardens in 2022. We are very proud to support such a great local cause.

Otter Garden Centre has supported Hospiscare in many ways over the years and we recognise the outstanding work of their nurses in our East Devon community, as well as across Exeter and Mid Devon. Team members at each of our seven centres vote at the start of each year on which charity they wish to support. Thanks to a variety of fundraising events and the amazing generosity of our customers, our Ottery St Mary centre has raised more than £14,700 for Hospiscare in the last three years, a sum that I know will make a big difference to the local charity.

All the managers at Otter Garden Centres believe in the importance of supporting local charities and giving back to the community. We are therefore very pleased to continue our support of Hospiscare at our Ottery St Mary Garden Centre during 2022.

Plants and gardening are at the heart of our business. Many of the plants we sell are home-grown and whether you have a large garden, allotment or small patio, we want to help our customers make the most of their outside space and to make gardening accessible for all. Hospiscare's Open Gardens provides a great opportunity to visit a variety of wonderful gardens in the area, enjoy beautiful plants, and perhaps get inspiration for your own garden. We are delighted to be supporting this in 2022.

Jacqui Taylor
MD, Otter Garden Centres

We are very proud to support such a great local cause.

Delighted to support the 2022 Hospiscare Open Gardens

For all your gardening needs visit Otter Garden Centres

Established over 55 years ago, we take great pride in ensuring we provide excellent customer service and top quality plants, many home-grown in our own nurseries. Enjoy delicious home-made food in our coffee shops and take time to browse our wide range of products for the garden and home. A visit to Otter is the perfect day out.

Saturday
14 May
10am – 12pm

Exeter Friends of Hospiscare invite you to a

Plant Sale

Baring Crescent, off Magdalen Road, Exeter, EX1 1TL

Herbaceous plants, annuals, shrubs, herbs, veg plants and seedlings. Our experts from Bicton College, Janice and Patrick, will be on hand to answer gardening queries, help with problem plants (bring along examples) and to give ideas on garden design.

Pedestrian and vehicle access from Magdalen Road. Pedestrian access only from Heavitree Road.

No Dogs Allowed • No Toilets • Wheelchair Access Provided

Hospiscare is your local hospice charity, delivering end-of-life care and support for patients and their families living in Exeter, Mid and East Devon.

We support over 2,700 people each year, in some of the hardest times possible and as a local charity, we need to raise around £8 million a year to continue to provide our care, relying on the generous support of local people and communities just like you.

Please enjoy these wonderful gardens throughout 2022, our special 40th Anniversary year. All of the gardens are kindly

opened by their owners to share their beauty with you in support of Hospiscare.

Please check our website for additional gardens that will join throughout the year and for many other ways that you can support Hospiscare: www.hospiscare.co.uk

Thank you for supporting your local hospice!

Please be a safe visitor

Your safety is our priority and we want you to keep safe at all times when visiting our gardens. Take notice and adhere to warning signs. Some of the gardens are private and may pose problems if you have difficulty with slopes or steps. Please supervise children and dogs at all times and clean up after them. Car parking at all gardens is at your own risk.

Please also keep up to date with the Government guidelines regarding COVID-19 here: www.gov.uk/coronavirus. Our website will be regularly updated with any additional safety advice, please check before planning your visit.

Disclaimer: While every endeavour will be made to ensure that all the details featured in this programme are true and correct at time of going to print, we do not take any responsibility for any changes which may occur due to circumstances beyond our control.

Woodbury Gardening Club Open Gardens

Woodbury Garden Club and friends will be hosting this event as a fundraiser for Budleigh Salterton and District Hospiscare.

A wide variety of gardens will be open throughout the day. Programmes will be available from the Church Rooms, Parsonage Way, EX5 1NA.

For more information please email:

woodburygardenclub@gmail.com

3 acres with majestic trees under planted with rhododendrons, camellia and hydrangeas. Rose garden, flower beds and a pond near the house. There are natural springs and the bog garden with its pond. There is an extensive collection of mature shrubs and many specimen trees. Additional planting for bees, butterflies etc and a flower meadow on the old tennis court. Shrubberies, herbaceous borders, a small vegetable garden and orchard, complete the picture.
